

Allsorts Multiple Birth Families Policy

At Allsorts Childcare, we ensure that all families are included and supported fully, no matter how big or small. There are increasing numbers of multiple births occurring in the UK, with twins, triplets and more. As a setting, we accommodate all families and work together with parents to ensure all children are treated as individuals and supported to make the best progress they can.

This policy should be read in conjunction with our Settling in policy and Parents as Partners policy. In addition to these, to support the needs of multiple birth families, we will:

- Acknowledge multiple birth relationships as special and to be celebrated, as well as encouraging children to develop as individuals
- Work with parents to explore each child's individual preferences, interests, needs and starting points, including, where applicable, ways for staff to identify them
- Complete individual forms for each child to discover their individual routines, specific requirements, dietary needs, etc.
- Recognise and celebrate all individual achievements
- Report back on each child separately at the end of the day to the parents
- Consider separation if this is beneficial for their development. Parents, and where appropriate, the children, will be involved in the decision for when, where and how this may occur (e.g. focused activities, outdoor play)
- Assessments will be shared based on their individual progress, and comparisons between the children will not be made; any concerns will be discussed as per the SEND policy
- Understand that each child is unique and not expect them to behave in the same manner, excel in the same areas or enjoy the same activities.
